Danbury Men

The Danbury piqué shirt is a unique piece of clothing that is suitable for various occasions. This perfectly fitted shirt is made from comfortable cotton-elastane fabric, which we use in our popular Harvard polo.

The fabric adds shape, which prevents rolling and makes it extremely comfortable against the skin. Overall, the Danbury offers a classic, elegant look and is therefore suitable as a substitute for a polo or shirt.

- Combed organic cotton
- Elastic piqué material
- Feminine silhouette
- Trendy fall collar
