Eastlake Men

Eastlake is an insulated jacket designed for those who value minimum weight and a clean, modern design. Made from advanced, lightweight, and flexible materials, it provides comfortable warmth without excessive bulk.

Its elegant matte finish and slim silhouette make it an essential transitional jacket, combining functionality with fashion. The men's version features a classic cut, a visible main zipper, and comfortable elastic cuffs as well as the bottom of the jacket. The women's version lacks drawstrings but has a windproof placket covering the main zipper for a more feminine look.

- Lightweight
- Flexible outer material
- Recycled fabric
- Zip pockets
- Elastic cuffs and bottom
