HAKRO COTTON TEC® Polo Shirt

Functional polo shirt in single jersey look with a three-hole button placket. Buttons in contrast color anthracite and collar mirror in contrast color grey melange. Collar seam and inside of side slits reinforced with tape in contrast color anthracite. Button placket with a tone-on-tone webbing. Double-face material HAKRO COTTON TEC®, for which two yarns with different functions are combined. Especially fine cotton single jersey on the outside and a mesh layer made of the functional fiber TRIACTIVE on the inside. Moisture is quickly transported to the outside, where it evaporates. This makes the polo shirt temperature regulating. Also available as a women's model with a four-hole button placket. Normal fit: Regular Fit. • Material: TRIACTIVE, double-faced knitted fabric made of 60% cotton and 40% polyester (cotton single jersey outer side and polyester mesh inner side) • Weight: 185 g/m² • Properties: breathable, easy care, pre-shrunk, moisture transporting, temperature regulating • Fit: Regular Fit • Certificates: Fair Wear, OEKO-TEX® STANDARD 100 • Washing temperature: 40 °C • Sizes: XS-6XL
