Jasper Unisex

Jasper is a lightweight and ultra-light vest. It is extremely comfortable to wear and easy to pack or stow away when the temperature rises.

This lightweight and puffy, year-round outerwear piece is made from recycled nylon and an extremely strong, thin, and flexible graphene material, making Jasper a true essential for any outdoor activity.

Enjoy the unique benefits of Sorona® Aura eco-friendly insulation, which provides down-like softness and high comfort all year round.

- Recycled nylon outer material and lining
- Lightweight
- Elastic finish at the bottom and arm openings
- Side pockets with zippers
- Internal pocket with zipper
