Inspired by urban fashion, Lindenwood offers a unique way to wear casual attire, combining a raw and stylish look. Lindenwood is a waterproof and lightweight jacket made from 100% recycled fabric and lining, insulated with Sorona® Aura, making it suitable for year-round wear.

The popular vertical quilting pattern ensures the jacket fits well with both elegant and more rugged styles. The men's version features a stand-up collar and zippered pockets. The women's version is designed in a 3/4 length, with buttoned pockets and a low collar.
